TEACHER APPRECIATION WEEK

MAY 3-7, 2021

#ThankATeacher

"To the world you may be just a teacher, but to the children in your care, you are a hero! THANK YOU! Anyone who does anything to help a child in his life is a hero to me."
—Fred Rogers

Teachers impact the lives of children every day. This past year, in particular, the teachers and staff in child care have stepped up during the pandemic. As the pandemic has presented many challenges, all child care staff have remained committed to the standard of excellence we strive for. Teachers were able to adjust their classroom setups, routines, and practices to meet children's needs. Whether virtually or in person, our teachers have found creative ways to stay connected and inspire a lifelong love of learning and discovery.

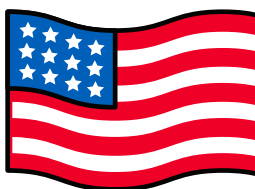

Here at *The Children's House* we would like to thank all of our staff members for a job well done. If you so choose, please thank a staff member for your child by sending in a card telling them how you appreciate their efforts and support.

SUN SCREEN

Please remember to send in sun screen for your child, as well as the forms that were sent home.

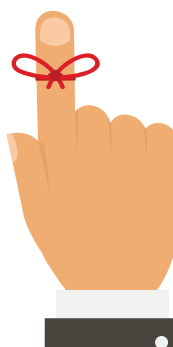

MEMORIAL DAY

We will be closed on Memorial Day, Monday, May 30th. Let's all take a moment to enjoy our friends and family.

MOTHER'S DAY

We would also like to recognize and thank all the wonderful mothers out there. Wishing each one of you a very happy Mother's Day. Here's to a day well deserved.

REMINDERS

A few reminders: no outside food is allowed in the center, please do not bring in toys from home, and please check on the extra clothes for your child that remain here at the center.

Thank you,
Emily Penwell
Director, The Children's House
