## HOUR CHANGES

## PRESCHOOL

As fall is here we will be getting back to the swing of things for our preschool program. Our preschool now follows the creative curriculum and we have begun to do assessments and observations of every child. We will begin parent teacher conferences late 2020 or early 2021! We are all very excited for these changes to our preschool program and look forward to watching your children all grow!!

## SCHOOL AGED CHILDREN

The county has come to the agreement that they will cover payments for the children in attendance when they are doing virtual learning, however this will only cover the time the school is not offering in person learning if you choose to continue virtual learning after the school resumes you will be held responsible for payment. If you would like us to assist your child in logging on to the school site please provide us with a set of headphones, a computer (at your own risk), and their daily schedule. We will not be held responsible for the accuracy of your children's work so please double check all work at home.

## EXTRA CLOTHES

Please be sure your child has weather appropriate change of clothes.

## USDA FORMS

USDA forms were sent home please fill out and return to the office ASAP.
